Canterbury is situated in the southeast of England, about 50 minutes (by train) from London.

It is a town of about 55,000 people and one of the most visited places in the country.

Canterbury boasts a medieval city centre with many historic buildings...

...and, of course, the famous cathedral (World Heritage!) — site of the murder of Thomas Beckett.
The University of Kent is located on the outskirts of town, about a 10 minute bus ride from the city centre (about 30 minutes on foot).

- You will find cafés, restaurants, bars, two small co-op stores and lots of green space on campus.
- Sport facilities and bike rental are available for a fee.
- Blean Woods National Nature Reserve is a 20 minute walk away.
- Buses take you to the nearest beach in about 20 minutes as well.
Included extras

▶ Canterbury Cathedral (guided tour)
▶ Historic River Tour
▶ Day trip to seaside town (weather permitting)
▶ Day trip to London

...Plus ample free time to explore the area.

Students will have to make their own travel arrangements.
Border regulations

- Entering the UK will normally require a passport (not a national identity card like the German Personalausweis) that is valid for the entire duration of your stay.
- EU nationals do not need a visa to enter the UK, but for non-EU nationals things might be different.
- Additional regulations pertaining to COVID-19 apply at the time of writing (January 2022), but these are almost certain to change before the summer. Check the current rules before you travel!

Please note
Costs for visa and/or potentially mandatory COVID-19 testing are not included in the participant fee.
If you are a B.A. student eligible for Aufbaukurse (and of age), you can sign up by

1. sending an e-mail that specifies which two classes you would like to take, and
2. coming to an in-person meeting early in the summer term where you will be given additional information and will have to sign the official registration form.

Please note

- Places will be assigned on a first-come-first-serve basis. All applications must be sent before the deadline for regular course registration in the summer term.
- Full (non-refundable) payment will have to be made at the beginning of the summer term (after the meeting).
